SGA Funding Announcement

At this time, SGA will no longer be accepting funding grant applications for events, travel, or publications taking place during the remainder of fall semester. This is due to the active involvement by student organizations this past semester in hosting numerous events and travel along with SGA’s limited budget. This suspension of funding will allow SGA to spread out allocation of funds throughout the rest of the academic year. We will still accept applications for grants that occur in the spring as long as the date of the event, travel, or publication falls after January 30th.

If you have any questions, comments, or concerns, feel free to contact Jared Dobbertin, Chairman of the SGA Organizational Ways and Means Committee at jdobber1@uncc.edu.

Event, Travel, and Publication Grants

Student organizations can submit Event, Travel, and Publication Grant applications for events, travel, or publications taking place on or after January 30th. The application deadline for groups wishing to have a hearing on Tuesday, January 13th is Friday, January 9th, at 12:00 p.m. Grant information and applications can be found at http://studentorgs.uncc.edu/funding. (Does not apply to sports clubs and graduate groups.)

Operational Funding

Student organizations requests for Operational funding for the spring semester opens on December 15th at 9:00 a.m.

Please contact the SGA Administrative Assistant in the Student Union suite 212.
